

## Package Offerings

# Virtual Professional Development

With our Virtual PD Package offerings, schools can choose the level of support that is right for their teachers. Customer Conferences available starting from the Gold Package allow campus leaders to consult with one of our experts before deciding on training

### Choose the offer that fits your budget and goals.

(See page 2 for pricing and details.)

#### SILVER ★

Get started with the basics by viewing our **free** tutorial videos and online self-paced courses.

#### GOLD ★ ★

Designed with implementation in mind, this package provides the support needed to get started with both the panel and your software of choice from day one.

#### PLATINUM ★ ★ ★

The Platinum Package is ideal for full integration as teachers will walk away with a software certification and skills to incorporate either Google Workspace or Microsoft 365 tools. Schools that select the Platinum Package can access up to 15 hours of professional development, including both synchronous and asynchronous opportunities.

#### CUSTOM ★ ★ ★ ★

Meet with one of our Professional Development experts to create a custom training plan for your school. With the Custom Package, schools can add more training sessions, request custom content, and more!

## Time to Practice

With our virtual training sessions, participants get hands-on practice time in their own classrooms with their own panels. Session recordings are shared along with additional resources for teachers to revisit as often as they need.
